

# INDIANA PARTNERSHIP FOR INCLUSIVE CHILD CARE (IPICC)

Caring for children with special needs or challenging behaviors requires a caregiver with knowledge in child development, adaptations to meet the individual child's needs as well as working with the parents and other community resources.

Through the IPICC project, IACCRR is committed to increasing the quantity and quality of high quality care for children with special needs or challenging behaviors.

Variety of training opportunities that cover disability-related topics, training follow-up and on-site technical assistance

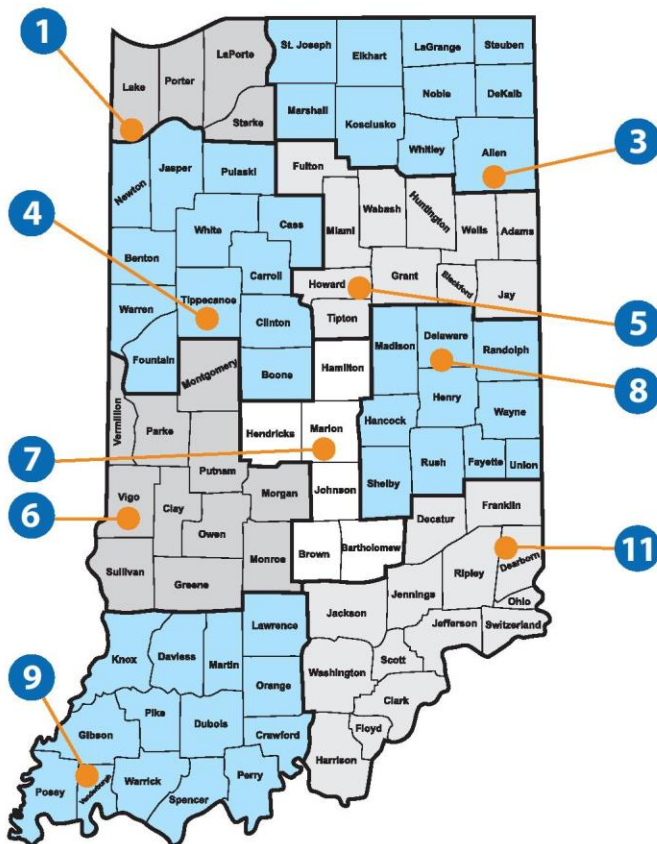

Nine Inclusion Specialists covering all Indiana counties

Consultations for families and child care providers

Enhanced referrals for families with children with special needs

Increased focus on assisting providers to develop a socially and emotionally appropriate environment in order to reduce challenging behaviors
